- 1. Antioxidant Properties:** Many of these ingredients, including Goji berry, Acerola cherry, Pomegranate, and Grape, are rich in antioxidants. Antioxidants help protect cells from damage caused by free radicals, reducing the risk of chronic diseases and promoting overall health.
- 2. Immune Support:** Red ginseng and Acerola cherry are known for their immune-boosting properties, providing essential vitamins and minerals to support the immune system.
- 3. Skin Health:** The antioxidants in Double Red Rose and Pomegranate can help improve skin health by reducing signs of aging and promoting a healthy complexion.
- 4. Cognitive Health:** Ginseng extract is believed to enhance cognitive function and help with memory and concentration.
- 5. Digestive Health:** Carob extract and honey can support digestive health. Honey, in particular, has antibacterial properties and can soothe the digestive tract.
- 6. Energy and Vitality:** Ingredients like Red ginseng, Jujube, and Locust honey contribute to increased energy levels and overall vitality.
- 7. Cardiovascular Health:** Some of these ingredients, such as Goji berry and Pomegranate, are associated with improved heart health, including lower blood pressure and reduced risk of heart disease.
- 8. Weight Management:** Some of these ingredients are low in calories and high in fiber, making them potentially beneficial for weight management when part of a balanced diet.
- 9. Improved Mood:** Certain ingredients, like Ginseng extract, have mood-boosting effects and help alleviate stress and anxiety.
- 10. Blood Sugar Control:** Some ingredients, like Jujube and Carob extract, help regulate blood sugar levels, which is essential for individuals with diabetes.
- 11. General Well-being:** The combination of these ingredients can contribute to an overall sense of well-being, providing a variety of essential vitamins, minerals, and nutrients.
- 12. Hydration:** Lemon, Honey, Peach, and various fruits in the blend can help keep you hydrated. These ingredients can contribute to the overall hydration. Staying hydrated is essential for overall health.

Upgrade Point/Earnings

10

Upgrade Point/Upgrade Earnings

The maximum payout for each package in Affluence Global:

Associate

\$10.50

Promoter

\$31.50

Business Builder

\$140

Business Owner

\$280

For Example: If an Associate refers a Business Owner, he/she earns a direct **Referral Bonus of \$210** but the actual amount the company releases for payout is **\$280**; therefore, the difference $\$240 - \$180 = \$70$ will be credited to an Upgrade Wallet until it hit the desired amount for an affiliate to upgrade his/her status.

An Upgrade Bonus is paid out whenever a downline upgrades his/her account.

2 LAWS OF EARNING

(Law of Singleness vs Law of Leverage)

The law of singleness (employment)

The law of leverage (the key to exponential wealth)
