## Upgrade Point/Bonus

The maximum payout for each package in Affluence Global:

	<b>Associate</b>	<b>7 035 CFA</b>		<b>Promoter</b>	<b>21 105 CFA</b>
	<b>Business Builder</b>	<b>93 800 CFA</b>		<b>Business Owner</b>	<b>187 600 CFA</b>

For Example: If an Associate refers a Business Owner, he/she earns a direct **Referral Bonus of \$210** but the actual amount the company releases for payout is **\$280**; therefore, the difference  $\$240 - \$180 = \$70$  will be credited to an Upgrade Wallet until it hit the desired amount for an affiliate to upgrade his/her status.

An Upgrade Bonus is paid out whenever a downline upgrades his/her account.
